

To submit a photo, simply send it as an attachment to an email to [photocontest@northshorehikers.org](mailto:photocontest@northshorehikers.org)

Please send only one attachment (photo) per email. To send two submissions, send two emails.

**Name your photo:** the category it is for, and your first and last name. In the subject line of the email put the category it is for, and your first and last name. In the text say what the photo is of, and any other details you want to include.

**For example:** to submit a landscape-scenery picture taken in Yellowstone Park three years ago, I would name my picture 2.Landscape-sceneryAlastairFerries. I would email it as an attachment to [photocontest@northshorehikers.org](mailto:photocontest@northshorehikers.org). And I would put 2.Landscape-sceneryAlastairFerries in the subject line. In the text box I would write something like: mountains in Yellowstone Park 2017.
